These exciting games teach kids basic care and social skills, all while being fun to play! Keep Hazel happy and develop your skills along with her. In many Baby Hazel games, you'll look after her like a mother. In others, like Baby Hazel Kitchen Time, Baby Hazel gets to go shopping and cook without her mum. With your help, she'll become a super-duper chef! You can guide her around the shop to find the right ingredients, then make tasty food with them in the kitchen. There are plenty of other games too. You can dress her in fancy dress, go on outdoor trips, or get ready to be a Flower Girl. Pick your favorite Baby Hazel game and play for free at CrazyGames. Platforms Baby Hazel games can be played on: Web browser iOS (Apple) Android About Axis Entertainment Axis Entertainment Limited is a game development company founded in 2007. They focus on producing fun and educational games for kids. Page 2 So you want to play solo? Some of the most immersive games are story-driven singleplayer games. There's also plenty of one player games addictive enough to sink an hour into without realizing it. One of those games is Moto X3M, a total classic web game where you control a stunt bike and overcome various obstacles. Other popular vehicle-based 1-player games include Drift Hunters and Madalin Stunt Cars 2. If you're the creative type, Paper Minecraft is a cool 2D rendition of the legendary original game. You can play much the same way as the original, and there's loads of player-made maps to explore and discover! Many idle games are great little projects to work on solo. For example, Babel Tower puts you in charge of a biblical tower-building project, managing the workers and resources. Road Crash is a different type of idle game where you race and merge cars to create new ones. Both games are super addictive and fun to play! More One Player Games There are game genres that feature predominantly singleplayer gameplay. These games are perfect for playing alone: Horror games Idle games Simulation 1 player card games These sections are filled with more 1 player games you can jump into and get immersed in your own world.
